

2020 GLBBQA Rookie of The Year Program

We would like to recognize and encourage new teams in the world of competition barbecue. As such we are excited to host a unique opportunity for rookie recognition.

Sign up

All teams that want to compete for Rookie of The Year must send an email to info@glbbqa.com subject line- Rookie of the Year with the following information: Team name and Name of head cook.

Rules

- The head cook must be a GLBBQA member in good standing.
- Team / cooks must not have competed in more than 4 KCBS competitions in a lifetime. This includes guest cooks from other teams.
- Teams must cook a simple majority of the KCBS contests held in Michigan. Example if Michigan has 6 contests you must cook four out of the six to qualify.
- We will be using your scores from your 4 best contests to determine your overall ROTY score. If Michigan has less than 6 contests the GLBBQA BOD will use the simple majority rule. If the simple majority is 3 contests for 2020, your overall score would be based on your three best contests for your overall ROTY score. See the scoring table below.

Scoring

- The overall scores at every contest will determine points scored.
- We will use the GLBBQA TOY scoring system for the overall category:
 - 1st Place = 20 points
 - 2nd Place = 18 points
 - 3rd Place = 17 points
 - 4th Place = 16 points
 - 5th Place = 15 points
 - 6th Place = 14 points
 - 7th Place = 13 points
 - 8th Place = 12 points
 - 9th Place = 11 points
 - 10th Place = 10 points
 - 11th - 20th Place = 5 points
 - 21st & below = 0 points

TIE BREAKER

In the unlikely event of a tie, the top overall scores from the eligible events will be added and then averaged. The winner will be the team with the highest average score of the eligible events. For example, if Team ABC's average score for their top contests was 672.3456 and Team XYZ's average score for their top eligible contests was 670.1234, Team ABC would be declared the winner.

In the highly unlikely event that the first tiebreaker still results in a tie, the highest overall score from all eligible events will be used to break the tie. For example, Team ABC's highest overall score for any of the eligible events was 697.3579 and Team XYZ's highest overall score for their eligible events was 694.2468. Team ABC would be declared the winner.

If still tied, the winner will be decided by the highest lowest score of the team's eligible events.
